

If the driveway is full please proceed to the cul-de-sac/road to the north

## Welcome to Stag's Forest - aka Kevin & Dawn Tubbesing's

We're looking forward to seeing you! Our home is located between Quivira and Pflumm\*, north of 51st, with access off of Haskins Street through the Timber Springs subdivision.

**5000 Haskins Street, Shawnee 66216**

Please park per the plan and we can fit 18 avg. length vehicles on our driveway. Cars parking before of the gate should park at an angle (there are lines!). Pull up all the way into the curb so cars can pass behind yours. We have some spaces past the gate at the end of the drive lane. Overflow should head past/north of our driveway to park on the street, especially in the cul-de-sac road just down the street on the left.

No need to knock, just come in the front door...but don't let the dogs out! They're better at sneaking out than many are at keeping them in. See you soon!
